Dm C  
 Only begotten, noble race of Jove  
 Dm C  
 Blessed and fierce, who joyst in caves to rove.  
 Dm C  
 O warlike Pallas, whose illustrious mind  
 Dm  
 Ineffable and effable we find.  
 G Dm Am  
 Magnanimous and famed, the rocky height  
 G Dm Am  
 And groves and shady mountains thee delight  
 G Dm Am  
 In darts rejoicing, and with furies dire  
 G  
 And wild the souls of mortals dost inspire.

Dm C  
 Gymnastic virgin of terrific mind  
 Dm C  
 Dire Gorgon's bane, unmarried, blessed, kind  
 Dm C  
 Mother of arts, impetuous, understood  
 Dm  
 Rage to the wicked, wisdom to the good  
 G Dm Am  
 Female and male, the arts of war are thine  
 G Dm Am  
 Fanatic, much formed, dragoness divine  
 G Dm Am  
 O'er the Phlegrean giants, roused to ire  
 G  
 Thy courses driving with destruction dire

Dm C  
 Sprung from the head of Jove, of splendid mien  
 Dm C  
 Purger of evils, all producing queen  
 Dm C  
 Hear me O goddess, when to thee I pray  
 Dm  
 With supplicating voice both night and day  
 G Dm Am  
 And in my latest hour, give peace and health  
 G Dm Am  
 Propitious times and necessary wealth  
 G Dm Am  
 And ever present, be thy votary's aid  
 G  
 O much implored, art's parent, blue-eyed maid.
